

TASTING NOTES

This wine expresses perky mineral, flint, peach, citrus, and lemongrass elements. The focused lively spice, spearmint, and clove vanilla notes of this wine are obvious at first introduction, and they evolve into orange spice, stone fruit, and a central beam of fruit; consistent from front to finish. Vivid and lively.

300 Cases Produced

13.8% Alc by Vol

80% Sauvignon Blanc, 20% Semillon

This crisp and elegant wine was crafted by Napa Valley legend Tom Rinaldi with grapes sourced from the renowned vineyards of Dick Boushey in the Yakima Valley. A blend of Sauvignon Blanc and Semillon; the grapes were co-fermented and then aged in small vessels of fine French oak and stainless steel, resulting in a wine that is a unique expression of terroir and artistry.
